

12th Annual RSO Ice Fishing Derby

LET'S GO ICE FISHING!!! Have you ever ice fished? If so, come again, and if not, come and enjoy the LARGEST Ice Fishing Derby in Idaho. The Recreation Student Organization at the University of Idaho and the Moscow Parks and Recreation will host the 12th Annual RSO Ice Fishing Derby. Everyone is invited for a day of fishing at the lake. Prizes for the largest catch by age group will be given out at 12 p.m. There will be refreshments for sale and lots of prizes given out through out the morning. No experience needed, just a willingness to sit in the cold and catch a fish.

The Idaho Department of Fish and Game will host a free ice fishing clinic for all those who have never ice fished before and those that want to brush up on their skills. Learn the ins and outs and then go win the derby.

All participants 14 years or older must have a 2012 Idaho fishing license!
