**MOSCOW PARKS AND RECREATION DEPARTMENT
MOSCOW UNITED SOCCER ASSOCIATION
APPLICATION TO COACH**

Coaches are the key element to a good youth sports program. Moscow United and Moscow City Parks and Recreation thank you for volunteering to be a coach. Please fill out the following application and return it to the Moscow Parks and Recreation Department.

The most important objectives of this program are that every child has fun, an equal chance to play, and that good sportsmanship and a positive team spirit be present at all times. Teaching soccer skills and how to play are secondary objectives—yet learning to play the game well makes the experience more fun. Note that this is a non-competitive program; no official score is kept and team standings are not tracked. These program elements help insure the most important aspects of the program are met.

The Micro Soccer Committee of Moscow United Soccer Association sets coach assignments and team rosters. Coaches will be assigned the team on which the coach's (and designated assistant coach's) child(ren) plays. **Beyond that, requests for specific team membership are not honored.** Teams are not organized around school attendance. Every effort is made to provide balanced teams.

1. Coaches must be at least eighteen years old. If you are under eighteen, please apply as an assistant, perhaps with your parent acting as the head coach. We have had great success with young people working with younger players (for example: Junior High aged people assisting with U6 teams). We strongly encourage young adults to apply if they are interested.
2. Coach training sessions are 3 hours long. The training is more complete than that provided previously. Our young players need and deserve great coaches. Please commit your time to becoming one! The time and date of training sessions is being determined. Contact about dates and times will be made via e-mail. Be sure to include your e-mail address in the contact information.
3. The team rosters and equipment will be delivered to you at the coaches training clinics. Team meetings and first practices should be held the week of April 9.
4. **All coaches are required to fill out a City of Moscow Background Check form, which is attached to this application form. This background check must be completed before you are allowed to coach any team.**

Thank you for the time and effort you give by being a volunteer coach in this popular program. With your help, we hope to provide a quality program for the youth of Moscow.

PLEASE NOTE: This application does not register your child(ren) in the program. Please don't forget to submit the registration form for your child!
